

## Highlights from Symphony Innovate Asia 2019

Last week, Symphony Innovate Asia 2019 in Singapore hosted over 300 executives, developers, and industry experts from 120+ different companies across the APAC community. Here's a recap of some of the day's highlights:

### Conference Highlights: Announcements & Live Demos!

Watch the [opening keynote](#) to hear founder & CEO, David Gurlé break the news of our latest fundraise of [\\$165 million USD](#). Take a look at [live demos](#) from Société Générale, Goldman Sachs, J.P. Morgan, and more showing bots and applications used to revolutionize workflows!

### New Symphony Features for Digital Transformation

We introduced [Symphony Market Solutions](#), a new suite of standardized, licensable workflow and automation solutions. Learn more in our [press release](#).

### In Conversation with Singapore's Top Minds

Some of Singapore's top leaders from SGX, Monetary Authority of Singapore, and Bank of Singapore [joined us on stage](#) to discuss the urgent need for faster innovation and digital transformation

Thank you to our incredible sponsors who helped make Symphony Innovate Asia 2019 possible. Learn more about their solutions in our [Partner Showcase](#).

Be sure to check out our [blog](#) and visit our [conference replay page](#) for more highlights. Don't forget to save the date for [Symphony Innovate 2019](#) in New York on October 3rd!

## Symphony Innovate Award Winners

Congratulations to our Symphony Innovation Award winners: BlueFireAI, DCA, J.P. Morgan and UBS, who created the most cutting-edge innovations that positively impact the community of users on Symphony.

Read about the winning developments [here](#).

## **Hackathon Winners & Recap**

This year, over 140 developers competed in our regional Hackathons in Hong Kong, Singapore and Tokyo! The teams ranged from global banks to software startups to universities gathered to build innovations on and for Symphony, leveraging our open APIs, unique chat interface and unique security model.

Check out our [blog](#) to learn more about each of the winning developments.
